To whom it may concern,

It is my great pleasure to know Dr. Ken Grey, and I wholeheartedly recommend you consider him as a worthy author.

I met Dr. Grey for more than eight years, after my speaking engagement in Florida. He embodies a level of commitment that is tireless.

Dr. Grey, over the years, has been granted permission to use my words in his works of art and I am proud of how he has grown, with his art and as an educator and a healer.

In closing, you will find that he has great interpersonal skills, which aid him in working well and establishing rapport with others. Additionally, his integrity is of the highest caliber and I am confident that whatever Dr. Grey's future endeavors are, he will excel and do well.

Joy!
